

ST GEORGE'S HOTEL

We adore dogs at St Georges Hotel, and love that our guests can bring their four- legged friends on their travels with them!

We just have a few elements on our pet policy that we'd like to make you aware of.

- If your furry guests are left alone in your room, please place the doggy door sign on the outside of your bedroom door.
- We don't want to make your dog anxious by having strangers entering their room if they are alone, so please use the doggy door sign to show when your bedroom is ready to be serviced by housekeeping.
- Please never leave your four – legged companion alone in their room if you are leaving the property.
- Please keep your dog on a tight lead at all times in the public areas of the hotel.
- All dogs must be clean and dry when in the hotel and barking will not be tolerated.
- We want to make your pets stay as comfortable as home, but unfortunately our furry friends are not allowed in our Wedgwood Suite or Terrace Restaurant. We are happy to organise your breakfast and evening meals in our Terrace upon request.
- If there are any unfortunate accidents while you are staying with us, or the room requires extra cleaning after you stay, we may charge an additional fee* for this. Please let us know of any issues as they arise. **£75 if additional cleaning is required | from £150 if an external cleaning company is required.*

You will be given a leaflet on arrival, explaining our policy in more detail which also includes information about local areas to take your dog walking, nearest bins and times they can enjoy the beach!

Please sign here to confirm you have read and understood the above dog policy.
