It goes without saying that all rooms are equipped to the highest standards including digital LCD TVs, air conditioning and Wi Fi is complimentary throughout the whole hotel.

details

There are some things you just don't want to have to think about. Such as: will the room be set out exactly as you want it? Will someone be on hand to help set up the bosses presentation? What about Wi-Fi? Relax. At St George's, these aren't extras, but standard. Details, perhaps, but ones we know make all the difference.
